EDUCATION

Vignan's Nirula Institute of Technology and Science for Women Bachelor's degree in data science	JNTUK	08/2024– Current Guntur , Andhra
Sri Chaitanya junior College 12th Inter	STATE BOARD	08/2020 - 07/2022 Eluru , Andhra
Sri Sai High School 10th Boards	SSC BOARD	08/2019 - 05/2020 Eluru , Andhra

PROJECTS

Project 1 | Smart Traffic Control With Ambulance Detection   IOT
Developed a Smart Traffic Control system using sensors, IoT, and machine learning to prioritize ambulances, enhancing response times and traffic flow.

Project 2 | HTML , CSS, Java Script
This project is about the concepts that involves in B.tech , I have developed all the materials that are required for the all groups that are present in B.tech .

CERTIFICATIONS

1. Completed an Online Course in Hacker Rank on Java(Basic) Programming.
   https://www.hackerrank.com/certificates/c8208f2ac260
2. NPTEL Certification (ELITE) in The Joy Of Computing Using Python.
3. Achieved badges in SQL, java through Hacker rank.
4. Achieved INFOSYS course completion certificate in Programming Fundamentals Using Python.

TECHNICAL SKILLS

Languages	:	Python, Core Java, HTML, CSS
Dev Tools	:	Visual Studio Code

INTERNSHIP

Participated 6 Weeks internship on **Artificial Intelligence And Machine Learning** form IBM through EDUNET.
05/2024 - 06/2024 (6 weeks).

Completed 1 Month Internship on **Internship Of Things**   01/ 07/2024 – 01/08/2024(1 Months).
